Moments to Remember

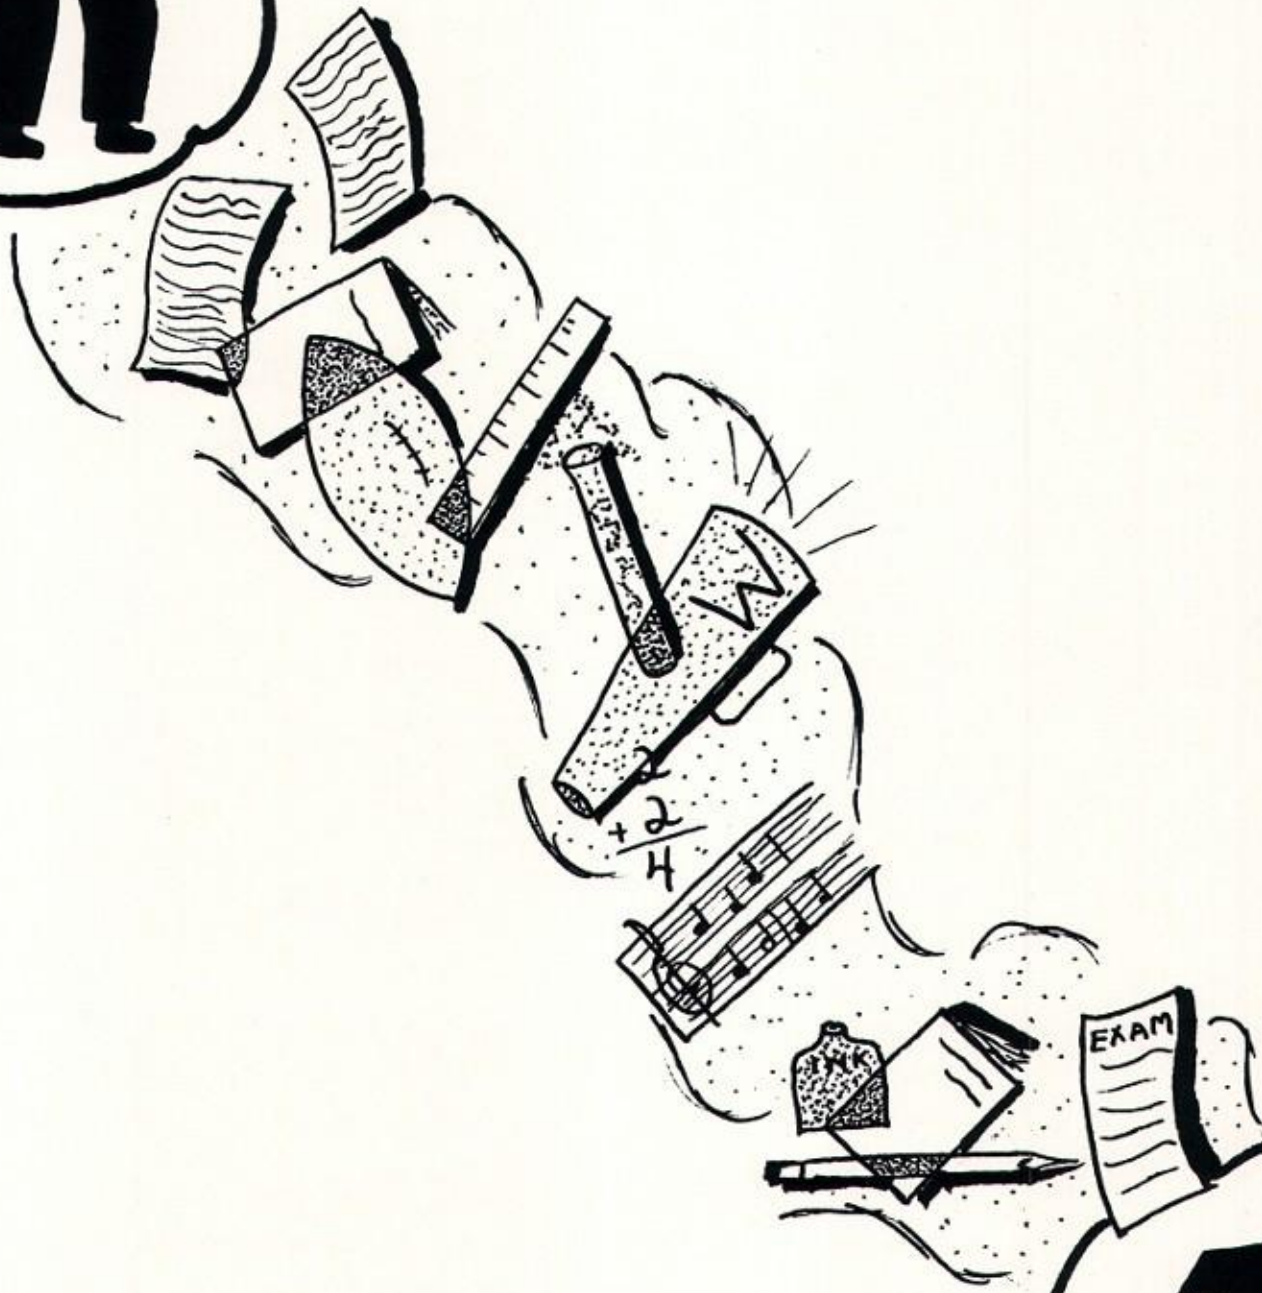

Foreword

We, the Class of 1962, entered the seventh grade with a challenge before us. We have met that challenge with the help of the faculty, the administration, and our classmates.

Upon graduation we will be faced with another challenge, that of our future. We feel that our sojourn at Wilson High has prepared us to meet this challenge.

As we gaze in retrospect at our six years spent at Wilson High, we fondly refer to our "Moments to Remember". Although these memories are in the past, they will linger forever in our hearts.

Dedication

We, the class of 1962, proudly dedicate this edition of *Les Memoires* to Mr. Gilbert Carney—erudite, congenial, amicable, but most of all, an understanding teacher.

Your “Thoughts for the Day” were a great inspiration and will linger with us in the years ahead. Your guidance and encouragement will be a beacon to us when we are confronted with life’s problems. You have taught us to love others because only through love and understanding will peace reign throughout the world.

We wish you the best of luck in all your endeavors and we deeply regret this moment of parting. We want you to know, Mr. Carney, regardless of time, you will always be the outstanding feature in all of our “Moments to Remember”.

Gilbert H. Carney, B.S., M.S.

Seniors

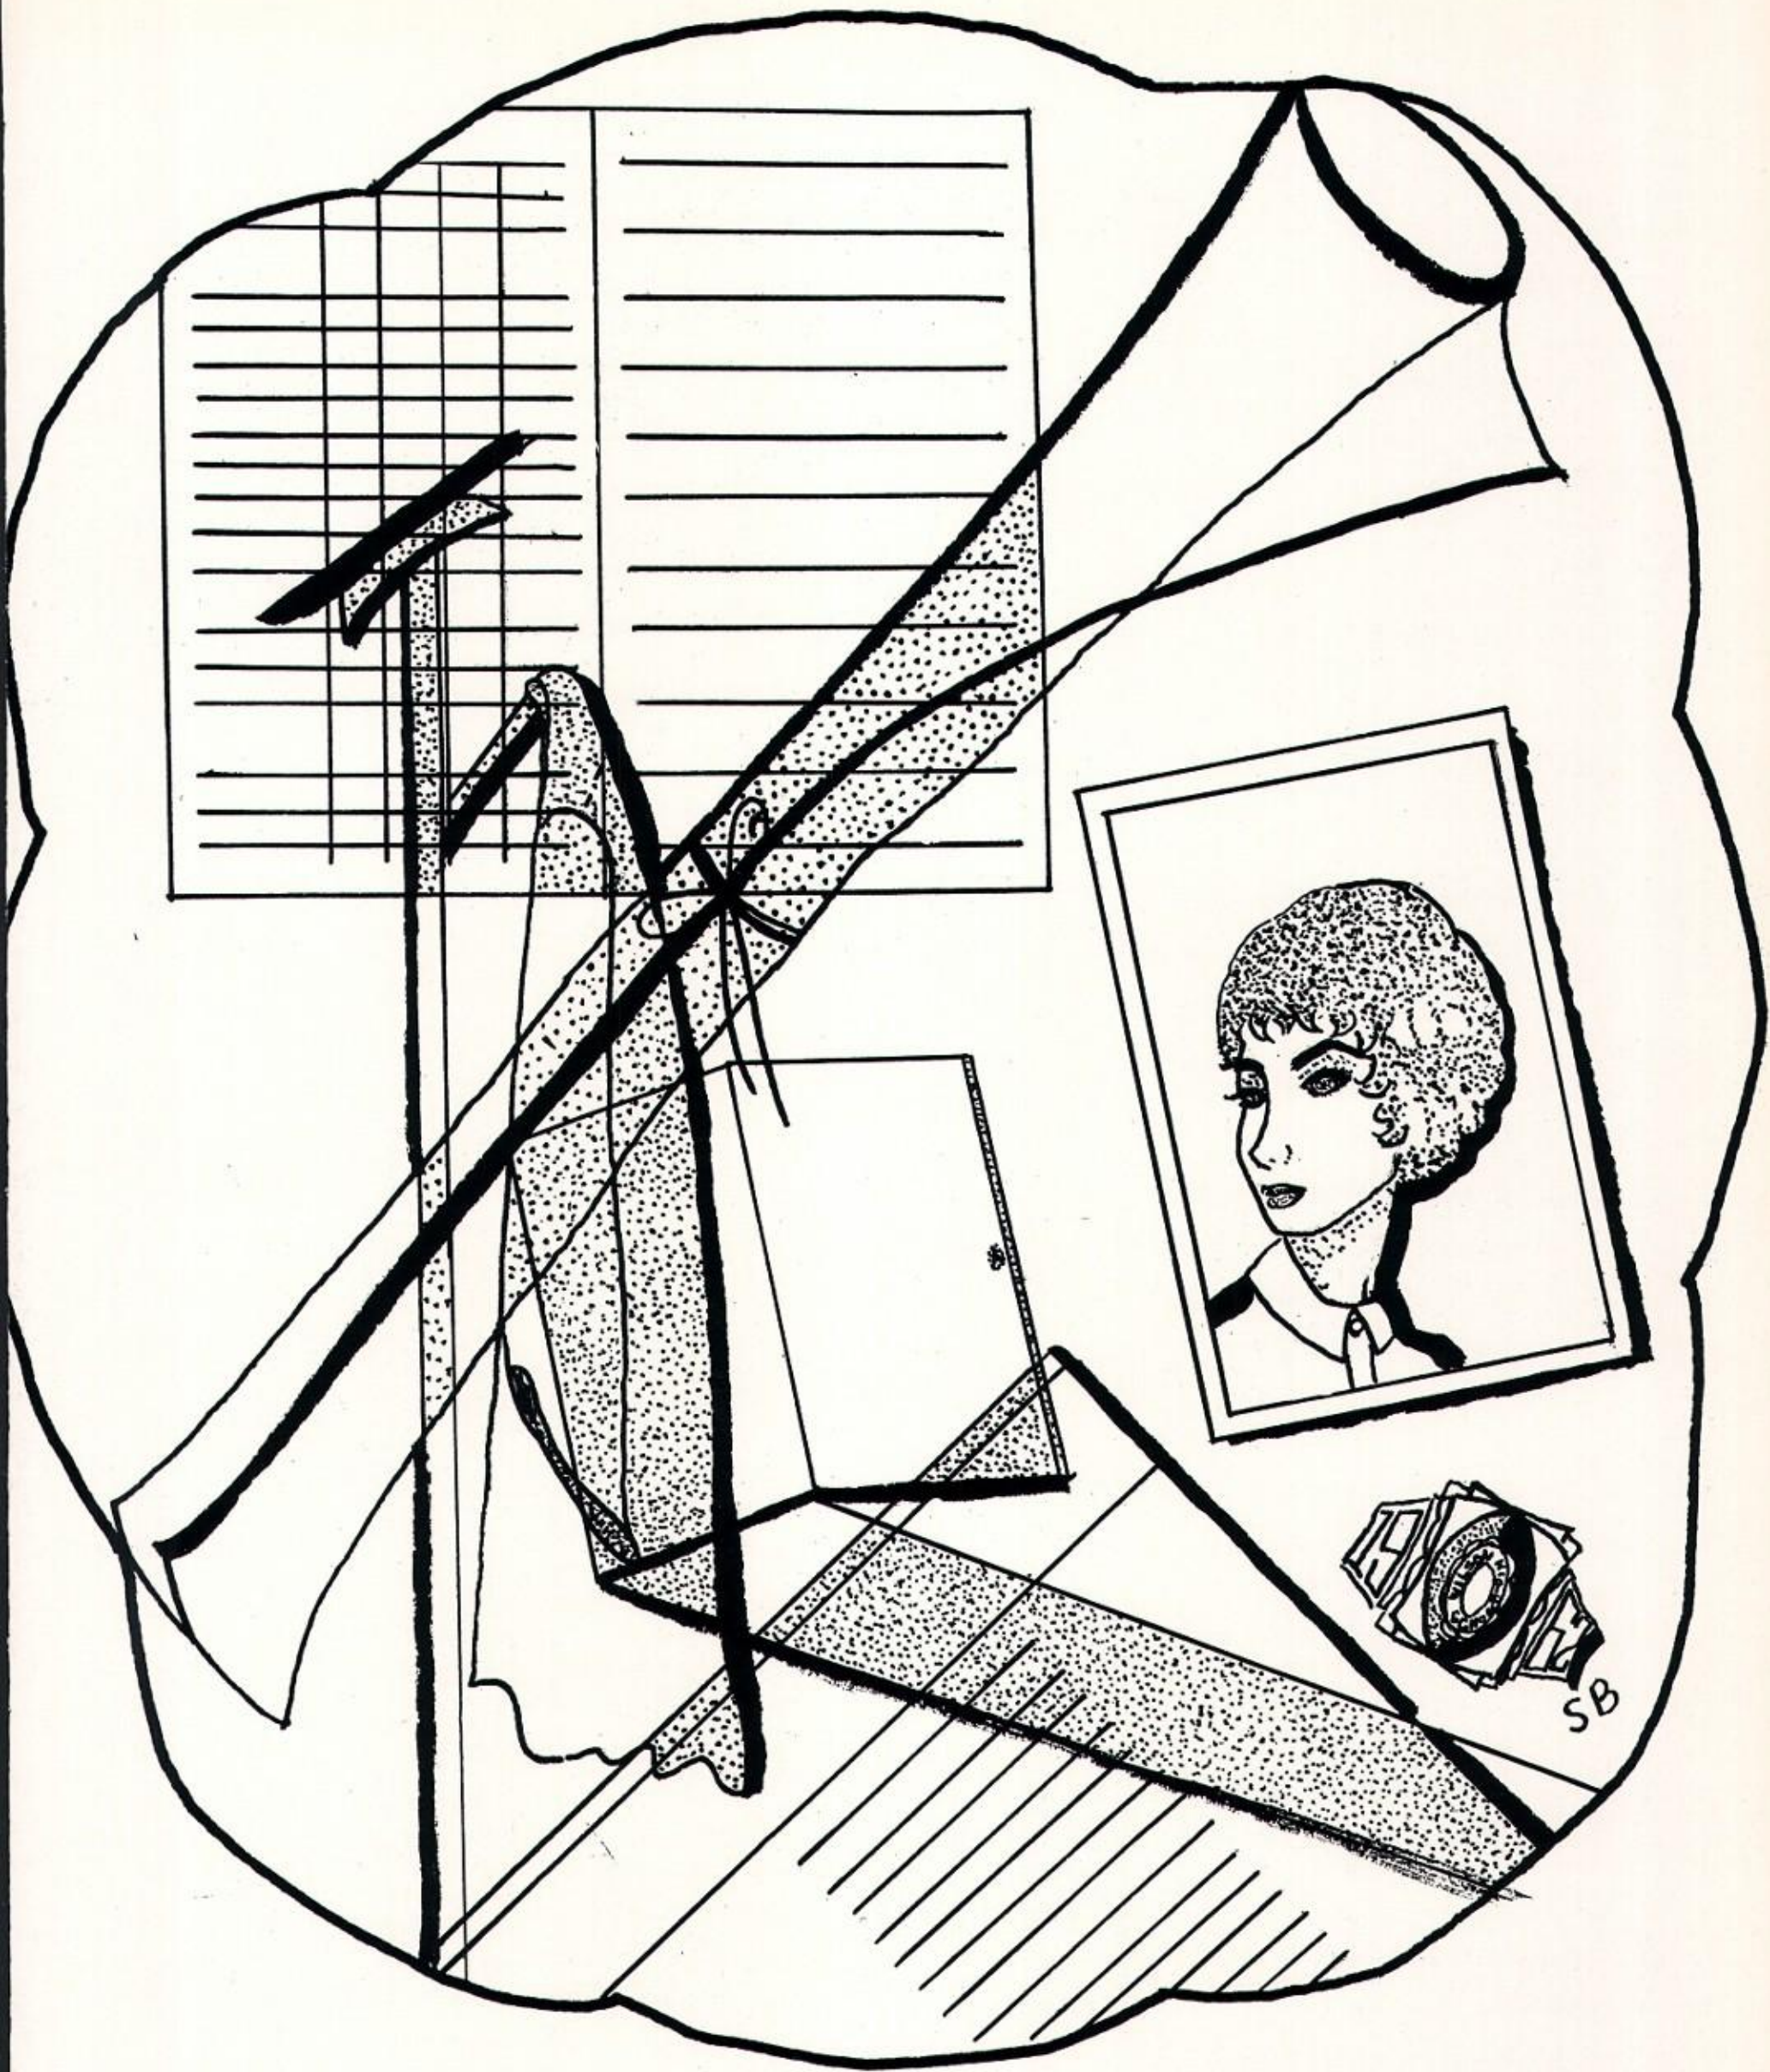

O, Seniors, you have reached the time in life,
From which there is no more a turning back;
Pledged in the main directly to that strife,
With Hope and Strength abound; there is no lack.

Know, too, however, that the path is rough,
And things to you will never easy be.
Prepare to face reproach, scorn, and rebuff,
Face up to life, remember always He—

Will care for you, so come to Him with trust
Tell Him your problems, unburden all your care,
For He is one all humans love and must—
Seek God and Truth and Love from Him so fair.

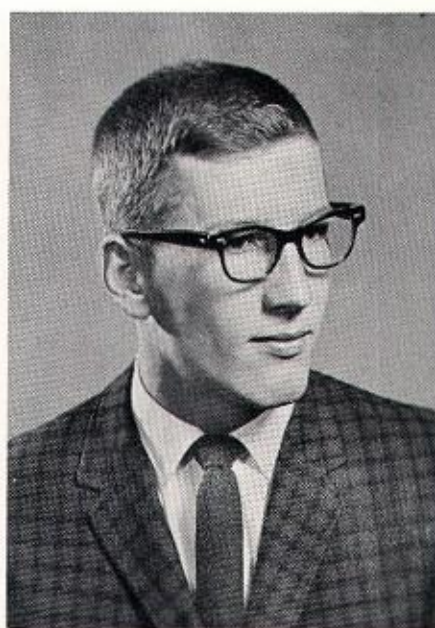

These Truths, O Seniors, I now pledge to thee,
Observe them well, and be forever free.

PAMELA HILL . . .

Having been selected by the American Field Service "Americans Abroad" program, Pamela Hill spent the first half of the 1961-62 school year as an exchange student in the small town of Oberwinter, Germany, as a "daughter" in the family of Herr Wolfgang von Dorrer, a German diplomat. Pam attended the Nicolaus Cusanus Gymnasium, a school for the children of the Bonn government's foreign diplomats, along with students from over forty nations of the world. Learning about German habits, customs, philosophies, and the German language was not an easy task, but proved to be fascinating. Pam also attended official functions, as a member of a diplomat's family, as well as private parties with a distinctly international flavor. Her spare time was spent in roaming around the beautiful "Seven Hills" along the Rhine, exploring the ruins of ancient castles and the many old churches in the countryside, or visiting the nearby cities of Bonn and Cologne.

In Pam's opinion her experience is "one that I wish every American could have, both for personal value and in the interests of world peace and understanding."

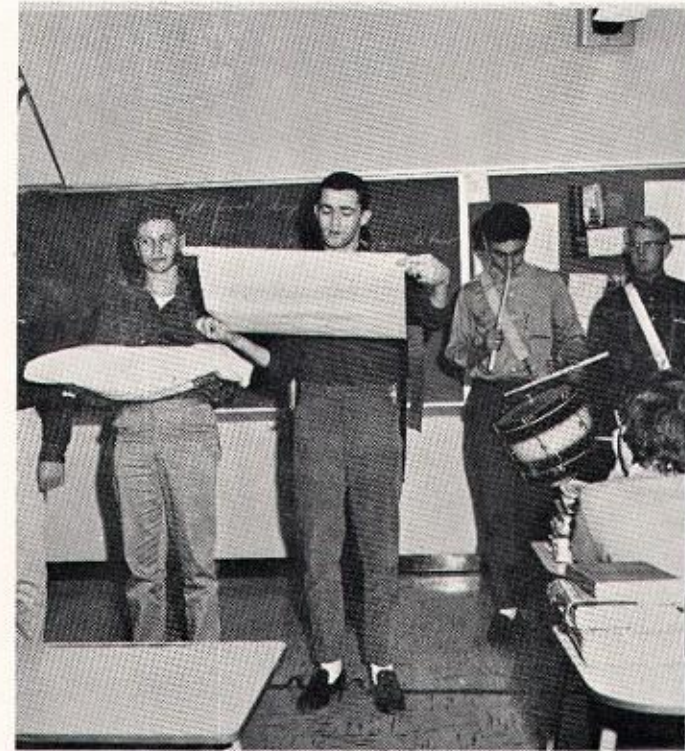

Senior Class Officers: Jack Messer, Vice President; Frank Campbell, Treasurer; Diane Deonis, Secretary; Robert Adams, President.

Senior Debating Team: Craig Fuehrer, Anthony Kulczycki, Wayne Unger.

The halls and classrooms of Wilson were brightened this year by the cheerful smile of Kazuyo Ikeshita, our American Field Service exchange student. Kazuyo came from Fukushima-Ken, Japan, on August 19, 1961, and as she entered our school, we took her into our hearts.

In Japan Kazuyo was the President of the English Conversation Club, Vice President of the Student Council, and a member of the Tennis Club.

When Kazuyo came to Wilson, she brought her lively personality and her talents. She became a Y-Teen, a member of the Mixed Chorus, Orchestra, District Orchestra, and played girls' basketball. Kazuyo also enjoys playing the violin, trips to the seashore and the mountains, reading, camping, and listening to records.

Living with the Frederick Gardners and attending W.H.S. as a Senior, Kazuyo learned much about the American way of life. In her opinion:

"Every class I took, I love.
Study Hall, cafeteria life, I don't like.
Students and teachers, I love very much."

For a year our fellow classmate studied and worked with us, joined in our activities, and brightened our lives. The months flew quickly, but they will always be part of our "Moments to Remember."

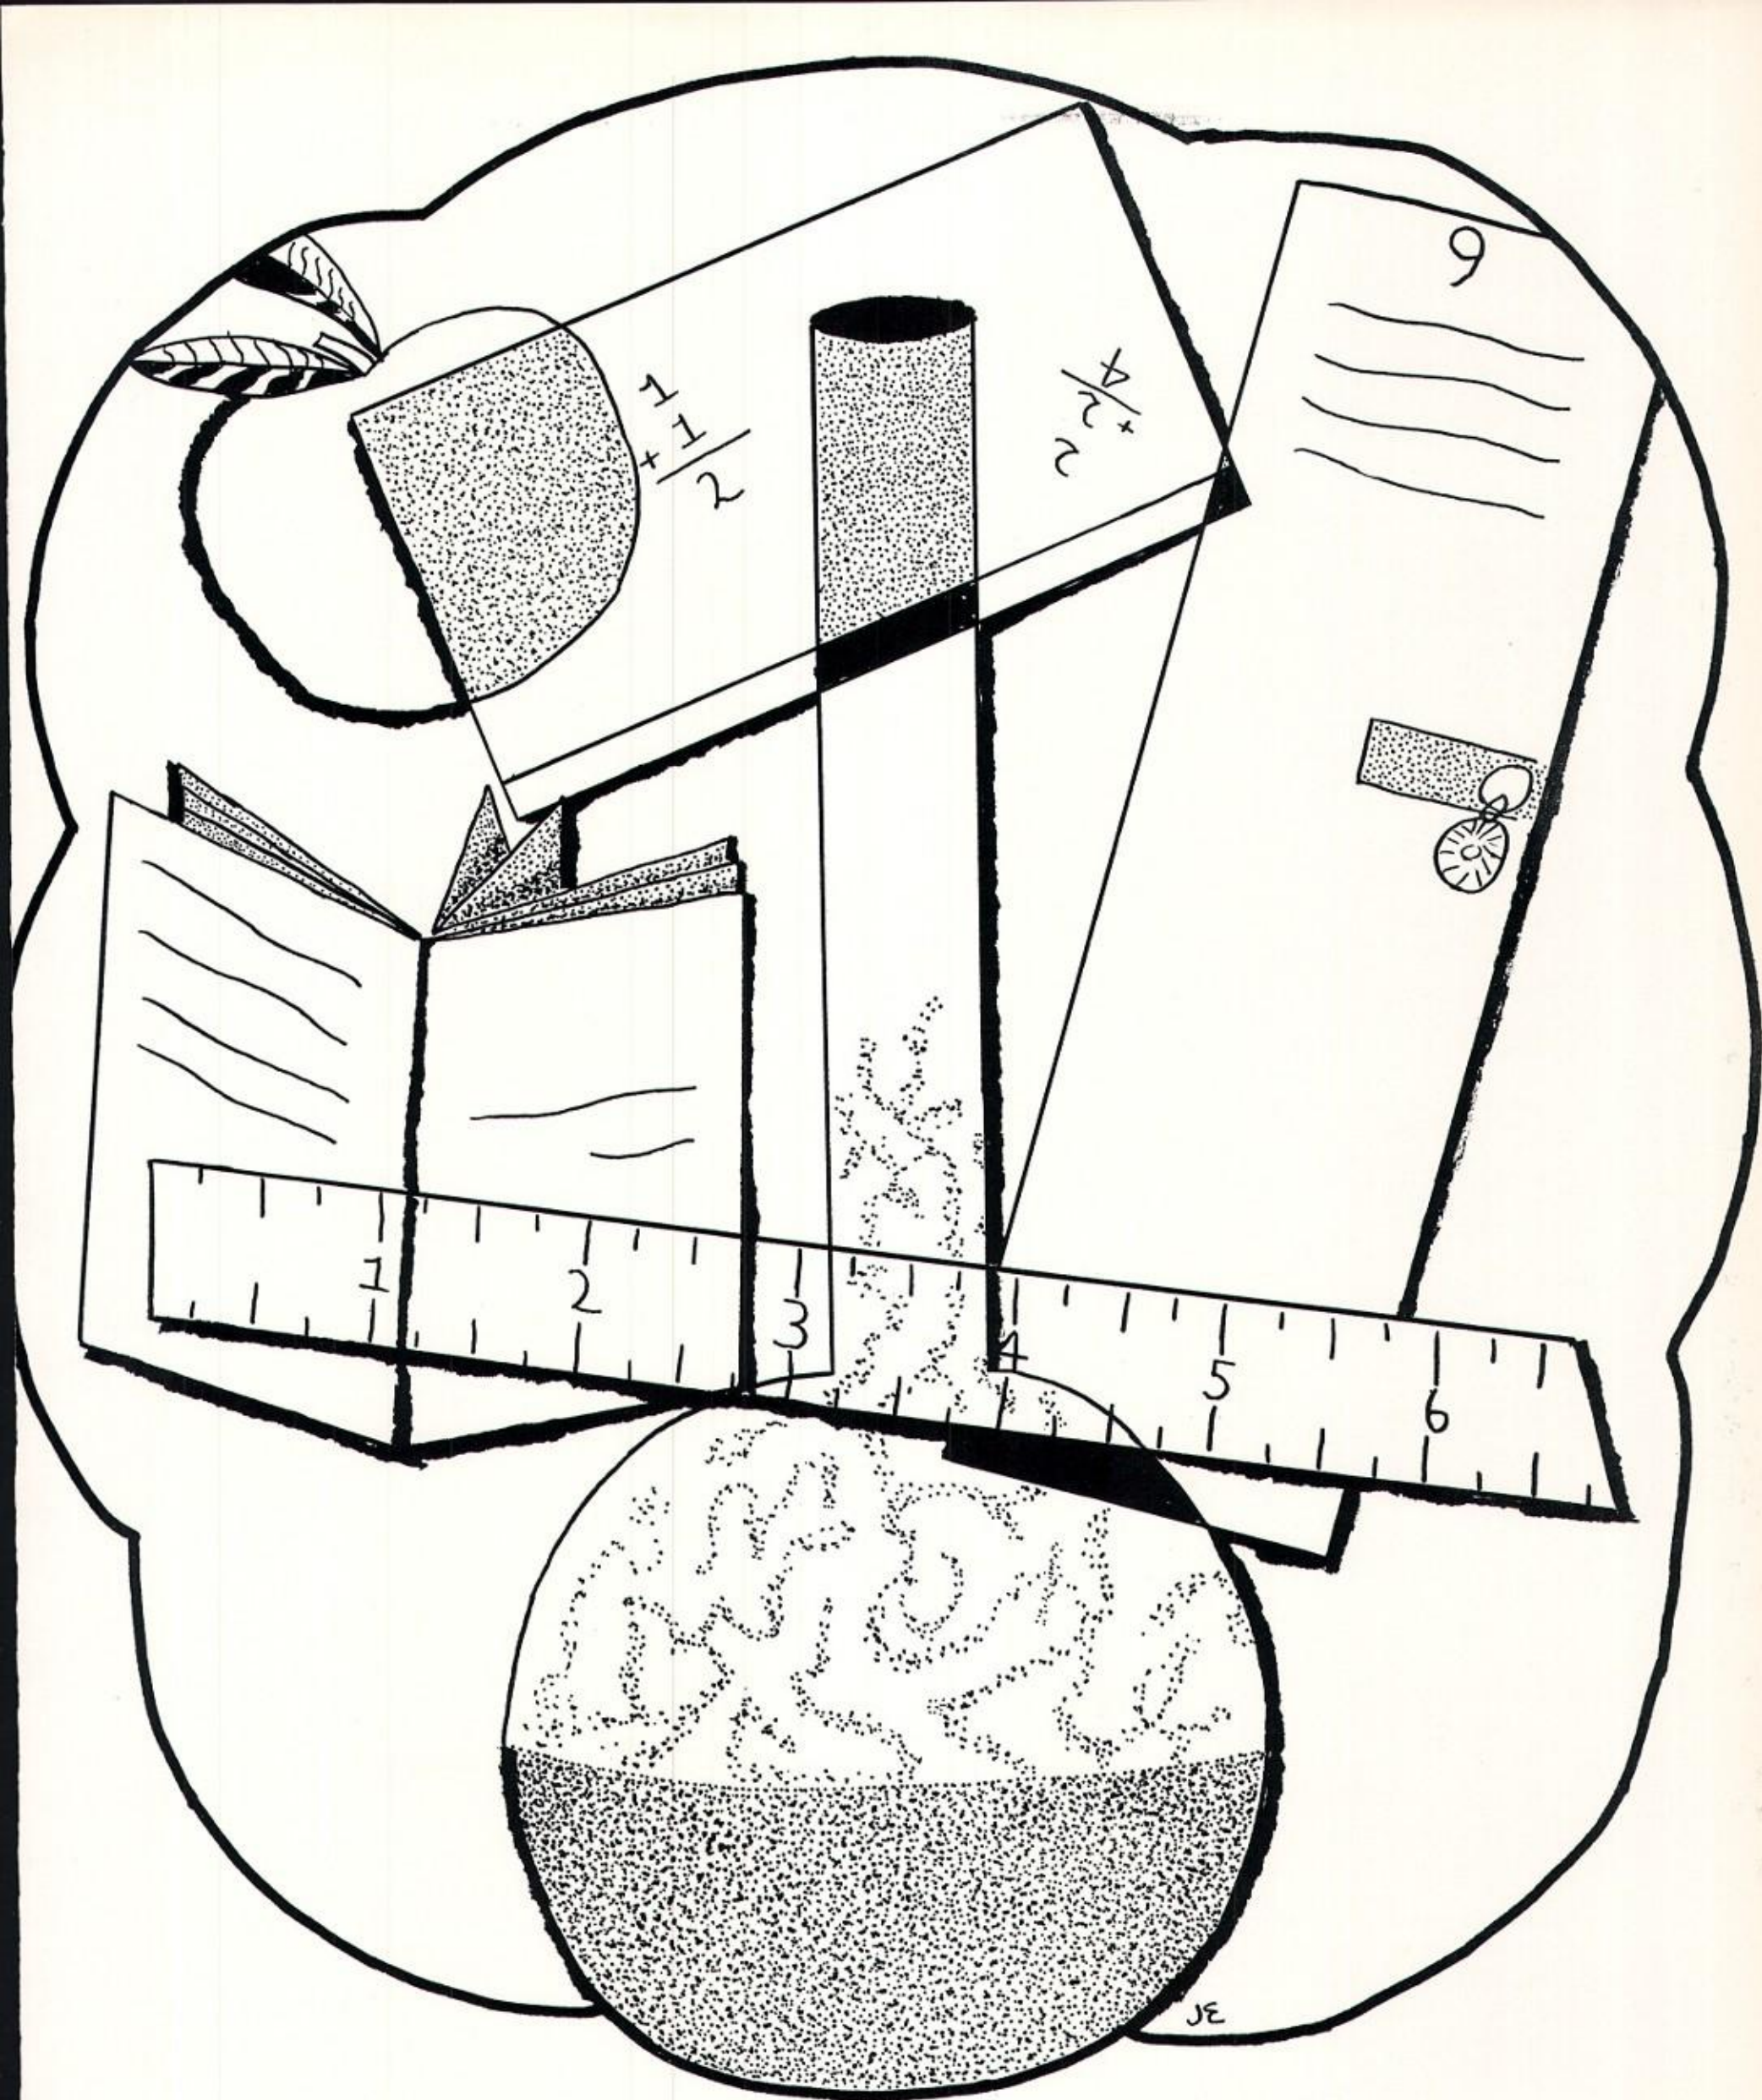

Underclassmen

We toss the torch to you, and well we may,
For you have seen the way these things we do.
Success to you in school, in games, we pray,
The progress of our school, we leave to you.

Now do not let us down; we've shown the way,
Give everything you've got for Wilson High.
Bring honor to our school, we beg today,
And rend your shouts of triumph to the sky.

To you our words of courage we bestow;
Here, catch our torch, 'tis yours, we must depart,
Again, we say to you before we go,
Assume your burdens with a gladsome heart.

Wilson High's men all victorious,
On the gridiron, field and track.
Wilson High's men all victorious,
And they'll bring the victory back.

Strong they are on field or handboard,
None of courage do they lack.
Post that score upon our scoreboard,
We can take them, too, in track.

Win, O, Win, and when victorious,
Honors great we heap on you.
Lose, if be, but just as glorious;
Give your best in all you do.

This year's Wilson High football team turned in a respectable 5-5 record. We placed third in league play with a 3-3 mark.

The Warriors opened against a strong Wilson of West Lawn team. Our opening drive was halted by a fumble on the West Lawn 14 yard line. Two plays later the hard-charging Warrior line produced a fumble, which was gathered up in mid-air by co-captain, Bruce Holbrook, who scampered 20 yards for the score. Dick Grube added the extra point. Early in the second quarter, West Lawn was forced to punt from their own 17-yard line. The punt was blocked and defensive end, Ronald Grube, recovered the ball in the end zone to give up a 13-0 lead. Dick Grube kicked the extra point. The West Lawn team fought back hard. The Wilson line put up a goal-line stand, but with 1:57 remaining allowed West Lawn to score.

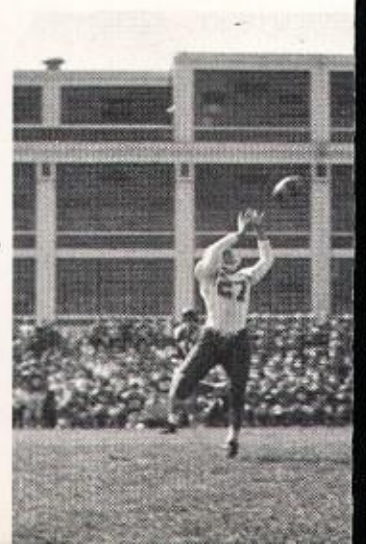

The Mustangs of Governor Mifflin proved too much for the Warriors winning 32-0.

After losing the two openers, the Warriors turned to the first league game with Hellertown. The Wilson offense and defense combined to score seven touchdowns for a 46-0 victory. We scored touchdowns in every quarter as seven different players hit pay dirt. Senior Frank Mangino opened the scoring with a marvelous 58-yard punt return. Dick Grube added the first of his four placements to lead 7-0. Senior quarterback, Bob Guzzo, opened the second quarter with a 15-yard scoring pass to end, Bill Newhart. Later in the same period, defensive line-backer, Bing Metz, grabbed a Hellertown fumble and raced 23 yards for the score. Near the end of the first half, Senior, Tom Castellano, connected with a 40-yard TD pass to Larry Werkheiser. The third period saw Dick Grube bulling four yards to end a 60-yard march. Junior quarterback, Nick Azzolina, scored in the final period on a two-yard sneak. The final score was a spectacular 88-yard run by sophomore, Barry Werkheiser, with a pass interception. As he crossed the goal line, 30 seconds remained.

We then journeyed to Bangor. Behind the superb running of senior fullback, Dick Grube, the Warriors won 19-6. Bangor went into an early 6-0 lead. Then Grube bolted off tackle for a 31-yard touchdown run. Late in the first half, co-captain, Bob Guzzo, found junior, Brian Saltern, in the end zone with a 25-yard pass. At the start of the fourth quarter, Grube went into high gear. He drove 17 yards on three consecutive plays. Then, Saltern interrupted with a six-yard plunge. Grube then broke off tackle and galloped 53 yards for the final score.

Next the Warriors played host to Palmerton on a rainy Saturday afternoon. In the non-league game, Wilson defeated the Bombers 19-0. Sophomore, Steve Hickey, opened the scoring for a 7-0 lead. The ball exchanged hands until Grube broke off tackle and raced 31 yards for the score. Barry Werkheiser closed the scoring with a 48-yard end run.

We then dropped the first league game to East Stroudsburg 26-12. Dick Grube and Frank Helm made our only scores.

Wilson then played host to a highly favored Pen Argyl squad before 6,000 fans. Wilson took an early 2-0 lead when end, Jim Tillman, tackled a Pen Argyl back in the end zone for a safety. Pen Argyl then took advantage of Warrior fumbles and ran the score to 20-2. The Warriors came alive near the end of the half moving 87 yards for the score. A 20-yard pass from Bob Guzzo to Frank Helm set up the score. The touchdown came on the final play of the half when Nick Azzolina hit end, Bob Adams, in the end zone. In the third quarter, Dick Grube capped a line drive with a two-yard plunge. The score remained Pen Argyl 20, Wilson 16. The Warriors held Pen Argyl to 23 yards rushing in the second half and 156 yards for the entire game. The Green Knights had been rolling up 300 yards a game.

We bounded back from the two defeats to post a 45-6 victory over Parkland. After halting the Trojans deep in Wilson territory, the Warriors marched 85 yards to score. The scoring play was a 51-yard pass from Bob Guzzo to co-captain, Bob Adams. A few series later, Grube plunged one yard to finish a 50-yard drive. Guzzo then hit Frank Helm and Brian Saltern with passes moving the ball to the 3-yard line where Helm scored. Grube's placement made it 20-0 at half time. Midway through the third quarter, Wilson was on its own 25-yard line when Guzzo faded back and completed a pass to Adams that moved 75 yards for a touchdown. Parkland scored in the final period, but the Warriors were not yet finished. Nick Azzolina hit end, Bill Newhart, for a 37-yard scoring play. Helm added another tally on a 44 yard reverse. Azzolina then passed to Bing Metz for the final touchdown. Nick Kurilko's placement made it 45-6.

The Warriors next posted a non-league victory over Emmaus 26-20. Emmaus tallied first for a 7-0 lead. In the second quarter, Wilson moved to the 10-yard line with Bob Guzzo's running and passing. Dick Grube then bulled the final yardage and his placement tied the score. In the second half, Emmaus took advantage of a fumble and went ahead 13-7. The Wilson defensive came alive with Brian Saltern intercepting a pass. The Warriors moved the ball to the 14-yard line where Grube again took it in for the score. Going into the final period, it was all tied at 13-13. An Emmaus drive clicked and they went ahead 20-13. Bing Metz returned the kickoff to the 30-yard line, Guzzo fired to Bob Adams on the 45 and Adams raced, untouched, to the end zone. Grube's placement knotted the score at 20-20. After an exchange of the pigskins, the Warriors took over on the Emmaus 41-yard line. Guzzo hit Adams for a first down on the 30-yard line. Then Adams took another Guzzo aerial for an apparent TD, but it was nullified by a back-in-motion penalty. On the next play, Guzzo tossed again to Adams. Two defenders deflected the ball, but Adams grabbed it and fell into the end zone. The score came with 22 seconds remaining and the game ended 26-20 in favor of Wilson.

On Turkey Day a strong Nazareth defense held the Warriors scoreless and the Blue Eagles won 6-0. The Class of '62 can well be proud of the performance of the squad this year.

Soccer

The Wilson Soccer Squad finished the season with a winning record this year. The team compiled four wins, three losses, and two ties. The wins were recorded against Southern Lehigh and Fountain Hill. Two of the three losses were against a strong Bethlehem team. The 1961-62 Soccer Team placed second in the league with a league record of four wins, two losses, and two ties.

The co-captains of the squad are seniors Tom DiSante and Francis Gall. Other seniors on the squad are Charlie Bruch, Frank Fimiano, George Hrymack, Brian Kichline, Wayne Unger, and Kenny Williams. The high scorers for the team were seniors George Hrymack with six goals and two assists, and Tom DiSante with four goals and four assists.

Three members of the Wilson High Soccer Team made the league's All-Star team. They are seniors George Hrymack and Tom DiSante, and junior Joe Martino. We are sure that Coach James Harron is looking forward to an even greater season next year.

Basketball

The Lehigh-Northampton League has just completed the first season under a new program. The league has been divided into a Southern and Northern Division. Wilson took the Northern Division and then defeated Fountain Hill, the Southern Division Champs, to capture the title of L-N League Champions.

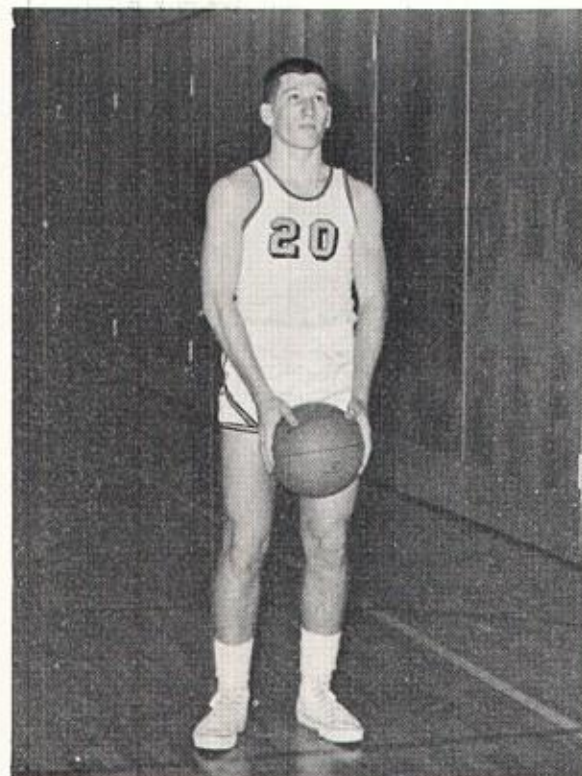

The season resulted in a record of 19 wins and 5 losses with 9 wins and 1 loss in league competition. The Warriors opened the season by eeking out a 56-55 win over a determined Emmaus five. We rebounded from a loss to Dieruff to down Palisades 77-54. Parkland, defending league champs, was astonished as the Warriors marched to a 72-61 triumph. Whitehall was the next team to fall victim losing 77-60. Southern Lehigh then outlasted us 59-62. The Hillers from Fountain Hill found themselves at the short end of a 61-36 score. Wilson then opened league play by downing East Stroudsburg 73-50. After six minutes had elapsed in the first quarter, Craig Fuehrer sank a lay-up to set a new school career scoring record. The second league game proved disastrous as the Warriors lost to Nazareth 63-60. Wilson sprung back and defeated Phillipsburg 66-51. Pen Argyl, Southern Lehigh, and Hellertown were added to the list of Warrior victims. The second Fountain Hill contest saw the Blue and Gold carry away a 71-52 victory. Bangor then toppled 53-34 followed by Parkland's 65-58 defeat. East Stroudsburg was the next to succumb to the Warriors' strength. The Warriors then captured first place in the Northern Division by downing the Nazareth Blue Eagles 59-47. Pen Argyl then fell before the Blue and Gold by a 82-43 tally. The Hellertown battle proved to be an exciting one. With the Division title riding on the game, the Warriors outlasted the Panthers 60-59. The victory over Bangor which followed secured the Northern Division post. Phillipsburg then pulled a surprise 63-60 victory. In a well-played game, the Warriors captured the Lehigh-Northampton League Championship by defeating Fountain Hill 62-50. Wilson then advanced to District XI playoffs and faced the Rough Riders of Catasauqua. Trailing most of the game, we finally tied the score at 68 all with one minute remaining. Catty managed to pull ahead three points in that last minute. Catasauqua later advanced to the Eastern State Finals.

The team scored 1567 points during the season as opposed to 1243 of the opponents. The defense demonstrated fine work holding the opposition to a 51.8 game average. This equals the outstanding record of the team of two years ago. Captain Craig Fuehrer again led the individual scoring with a 458 figure. This brought Craig's career scoring up to 1305 points, a new Wilson High scoring record topping the old 1,001 mark of Harold Rice. Craig received honorable mention All-State, as well as an Eastern Penna. All-Star berth. He was also named to the Northern Division All-Star team, along with co-captain Bob Adams. Craig was followed in scoring by John Smith with 289 points, Bob Adams with 237 tallies, Dave Rusk 163, Wayne Unger 156, Brian Saltern 101, and Nick Azzolina 93.

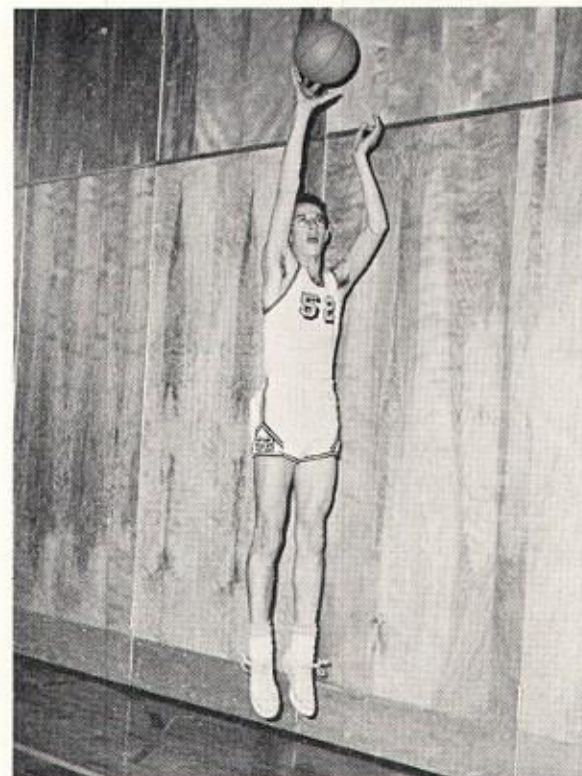

The class of '62 can be proud of these hard-fighting knights of the court.

Wrestling

The 1961-1962 edition of the wrestling squad fashioned the finest record in the school's history while competing in the newly-formed Eastern Division of the Lehigh Valley Scholastic Wrestling League. The team finished the season with an impressive record of eight wins and two losses, including a five and two slate in the Eastern Division and a three and zero slate against Western Division squads. Our Eastern Division record enabled the team to finish in a tie for second place in the final division standings. The team must surely be complimented on its fine performance this year.

The team began the season by trouncing an inexperienced Hellertown team 43-11 and losing to a tough Bethlehem squad by the score 33-17. Wilson then went on to defeat Notre Dame 28-18 and Southern Lehigh 28-16 before meeting Easton in the most crucial bout of the year. The Warriors put up a tough fight before bowing by the score 26-22. The boys did not give up, however, after this defeat and ended the season by defeating Parkland 38-12, Nazareth 38-16, Phillipsburg 20-19, Emmaus 28-14, and Palisades 35-14. Among these five the most exciting was the bout with P'Burg, where the boys pulled what was called an upset by everyone except the Wilson team and rooters.

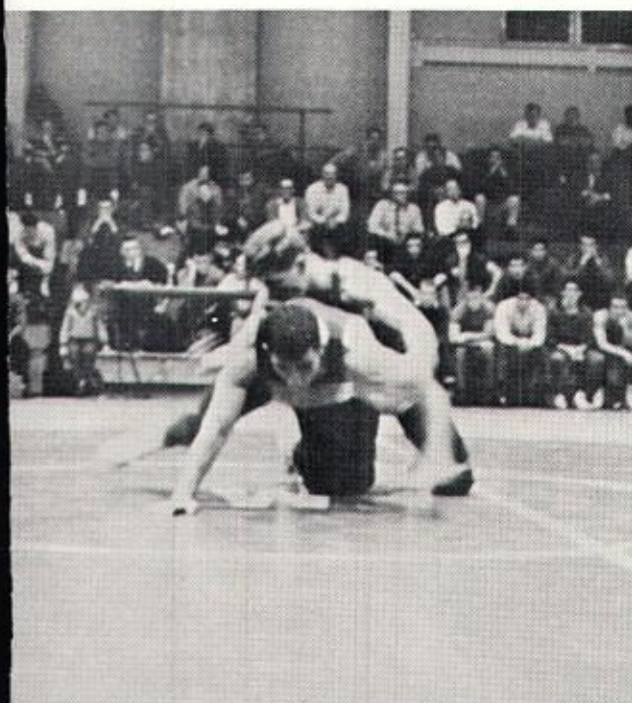

Following the completion of the regular dual-meet season, Wilson High School was the site of the Eastern Division wrestling finals. The Warriors sent five wrestlers, Joe Martino at 95 lbs., Bob Guzzo at 127, Bing Metz at 138, John Petrosky at 154, and Tony Verenna at 165, to the annual District XI Wrestling Championship at Easton High School. Two boys, Joe Martino and Bob Guzzo, reached the finals but Guzzo was the only one to pull through with a district championship. From here Bob traveled to Wilkes College to participate in P.I.A.A. Northeastern Regional Wrestling Tournament. Bob fought his way into the finals before dropping out in the final match. Mention must be made here that Bob Guzzo compiled a record of 35 straight wins in dual competition. Bob, as well as the other boys, must be congratulated on their fine individual showings. With only three seniors leaving the team through graduation, hopes are running high for continued good fortune next year.

Golf

The Wilson Boro High School golfers are again entered in Lehigh Valley Interscholastic Golf League for the third consecutive year. This year, however, the team has an enlarged schedule, which includes eight dual meets and two tournaments.

Returnees from last year's team, which compiled an 0-8 record, are Paul Kunkel and Steve Harper. These two along with senior Michael Achenbach will form the nuclei of a squad that shows great promise. With Mr. Horon as coach we are sure of a successful season for the golf team.

Tennis

A new competitive sport has joined the roster at Wilson High—Tennis. Because of lack of proper facilities in previous years it has been impossible to have a tennis squad at Wilson. However, the new tennis courts at Meuser Park have turned what was once a dream for many people into a reality now that Wilson High has a tennis team.

A full schedule of matches has been arranged and Mr. Villiano, coach of the team, expects a successful season. We'd like to wish the team the best of luck in their first year and we feel that the squad will carry on the traditional Warrior Spirit at their meets.

Baseball

Under a new system the Lehigh-Northampton League will play each team twice instead of the usual once. The rainy weather has again hampered the Warrior's schedule. The first two schedule games were rained out twice. The first game the team played was against Phillipsburg. The Stateliners won 10-2 on a rain-soaked field. The first league contest was played at home with East Stroudsburg. The Cavaliers made the most of four hits and two errors to win 3-1. Bruce Hagenbuch scored the home run for Wilson and a single by Co-captain Craig Fuehrer. The Warriors then journeyed to Nazareth for a 10-2 victory. George Cobb with three hits and Craig Fuehrer and Jack Webster each with two hits paced the Warriors. Dick Seibler took the win. The non-league battle with Notre Dame followed. The Warriors forced the game into an extra inning and won 4-3. Paul Kocher singled to open the eighth inning and moved to third when the ball was misplayed in the outfield. Co-captain Bob Adams singled to left to score the winning run. Relief pitcher Dick Seibler received the win. League play resumed with Pen Argyl. The Grein Wave managed to score eight runs in the fourth inning to win 8-3. The Emmaus game was rained out. The Warriors next beat Hellertown 3-1 on a rainy day. Alan Link and Paul Kocher walked in the third inning. Bruce Hagenbuch's single scored Link, and Bob Adams' single brought in the other two runners. Dick Seibler pitched to his third victory. The game was called in the bottom of the sixth inning because of rain. The Warriors' under coaches Berger and Gerber, are looking forward to a prosperous season.

Girls Basketball

This year's team was not as successful as in previous seasons; however, improvement was shown as the season progressed. The Warriorettes only had one victory as opposed to seven defeats in league competition. The victory proved to be an exciting contest as the team defeated Fountain Hill by a 39-38 score. The girls dropped two games each to Pen Argyl, Bangor, and Nazareth and one to Fountain Hill.

Even though there was only one victory, the girls demonstrated outstanding sportsmanship, enthusiasm, and respect, which is a victory within itself.

The five seniors on the team are Teddy Mount, Marianne Cahoon, Sandra Benner, Barbara Roth, and Judy Hawk. Sophomore Barbara Flagg captured scoring honors with 161 tallies. She was aided by Judy Hawk with 54 points, Cheryl Bond with 32 points and Hazel Schwab with 13 points.

Girls' Field Hockey

Although plagued by rainy weather, the Girls' Field Hockey team made a good showing this season. The games with Southern Lehigh and Emmaus were played on a rain-soaked field. The two victories over Phillipsburg were especially memorable. In the first clash, the lone goal of the game was scored by Wilson in the closing minutes. For the next meeting, Wilson traveled to Phillipsburg and proved to be champions, winning 2-0. Senior captain Judy Hawk with four goals and co-captain Kim Hummel with one goal, accounted for this year's scoring.

There are seven seniors leaving the squad this year. They are: Louise Wilkinson, Sally Hixson, Sally Kiefer, Kim Hummel, Janet Ellicott, Teddy Mount, and Judy Hawk. All in all, the team has a fine 2-6 record. Our coach, Mrs. Purdy, hopes that next year will be as good, if not better, than this year.

Varsity Track

The track team, under the able coaching of Frank Martenis and his assistant Wayne Grube, have turned in an excellent league record thus far this year. Action opened with the meeting of arch rival Nazareth. Bob Guzzo and Tony Verenna led the way to a 60-39 victory with each capturing two first places. The Warriors traveled to Parkland on a cold day and eked out a 52-47 triumph. Bangor was the next team to succumb to the superior strength of Wilson by a 60-39 margin. Guzzo and Verenna again contributed two first places each. John Communale of Bangor set a new school record in the pole vault with an 11 feet 3 inch vault. Next the Warriors met Northampton in a non-league contest which saw Joe Vierzbicki toss the shot put 47 feet 10½ inches for a Northampton field record. Wilson captured all but two first places winning 58½-31½. The Warriors re-entered league competition with a 68½-30½ victory over Hellertown. Tony Verenna tied the Wilson field record in the 100 yard-dash with a 10.2 sprint while Joe Vierzbicki heaved the shot put 49 feet 1 inch establishing a Wilson field record. The Warriors then trounced North Regional 61-29. Wilson next defeated Pen Argyl by a 70-29 score. Terry Sandt of Pen Argyl set a new field record in the pole vault with a 12 feet 2½ inch vault. At the Bethlehem Emrey Relays in our class, Wilson captured the second place team score along with the second place field score.

We are sure the track team will finish the season with an outstanding record.

Swimming Team

Although swimming is one of the newer sports at Wilson, the team proudly represented Wilson High at the swimming meets. Captained by Robert Steward and coached by Mr. Searfoss, the boys swam hard at all their meets.

This year three new Wilson High swimming records were set. John Miller established new 40-yard and 100-yard free style records while Robert Steward set a new 200-yard free style mark.

Hampered by a small squad, Wilson could not defeat the larger schools like Easton, Allentown, and Bethlehem; however, the team deserves recognition for fine showings.

Varsity Cheerleaders

Blue and Gold, Fight! Fight! Whether you hear it on the football field or in the gym, or whether you read it on large signs, you can be sure the varsity cheerleaders are doing their best to help Wilson High maintain its reputation for strong team support and good sportsmanship.

In addition to leading the student body at football games and basketball games, the squad presents the traditional pep rally for the opening of the football season and the big pre-Nazareth game rally, as well as rallies for other special sports events. They also train the junior high squad and lend a helping hand on the parade grounds with the band.

The squad consists of three sophomores, four juniors, and five seniors. These lassies truly represent Wilson at its finest.

Music

The man who has no music in his soul,
Is cold and distant; none of him for me.
And music in our school plays such a role
That we are pretty good in it, you see.

Our Band our Chorus, yes, our Orchestra, too,
Delights to ear, most tuneful to our taste.
All are so good, we recommend them to you,
Do not reject them; do not act in haste.

Music, when soft voices die
Will vibrate, oft, in our memories
Music in our hearts will always lie
Sing, content within our reveries.

Band

The 1961-62 edition of the Wilson High School Band, under its new director Mr. Robson Shelly, rose to new heights in precision drilling and quality playing.

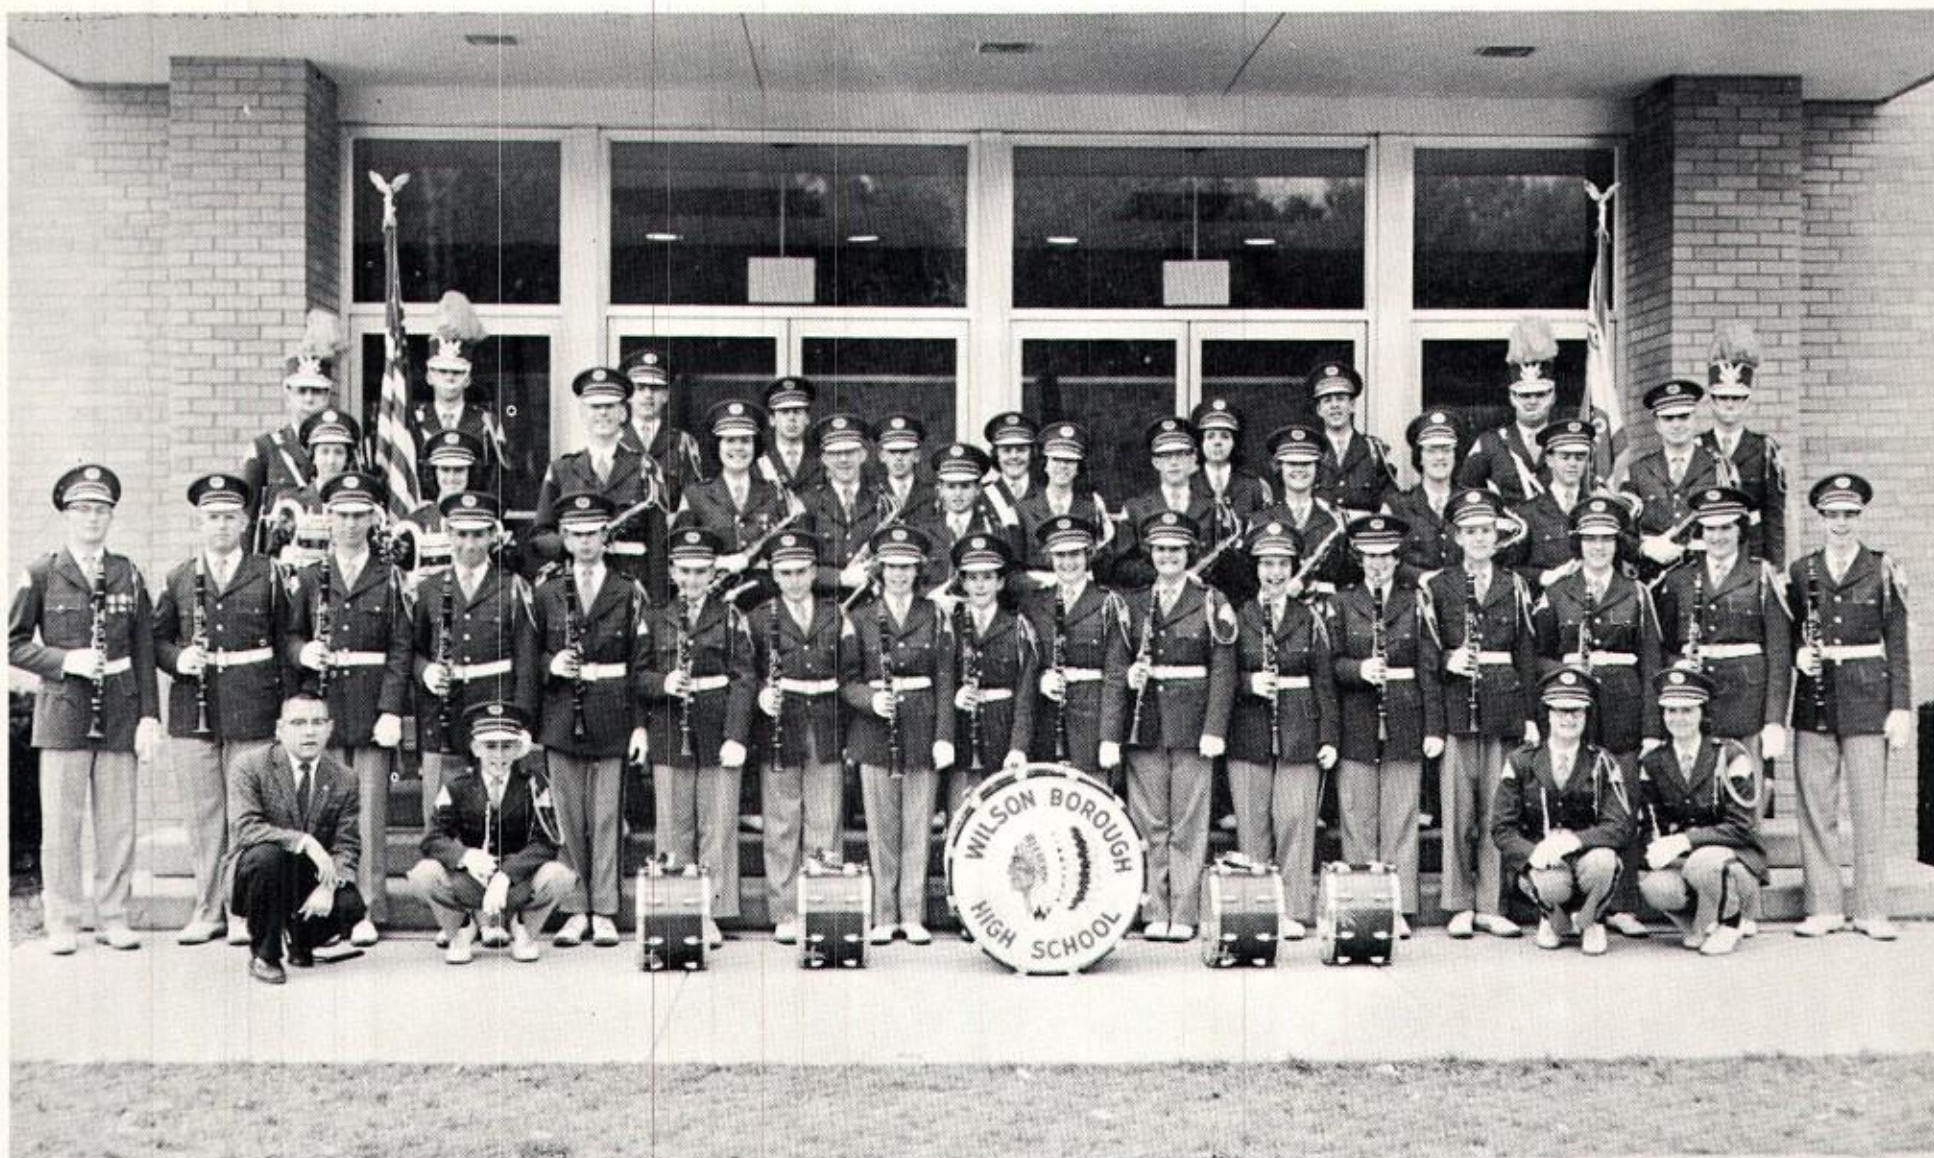

This year the band won top awards at the Boyertown Competition. After placing first in the Veterans' Day parade, the band put on a magnificent show on Thanksgiving Day. The highlights of this halftime show were "Barnum and Bailey's Favorite" and "St. Louise Blues March."

The Band Concert, this year, featured music from the Broadway show "Fiorello", also "Commando March" and an Overture entitled "Elkhart 1960."

Last summer the Band under its former director Mr. Ronald Sherry won second place in the International Lions Convention at Atlantic City on June 21. The Twirlers won first place in their division.

This year three of the band members attended the District Band Festival and also the Regional Band Festival. They are Cathie Gardner, Thomas Miller, and Jane Filer.

The band completed a successful year with several parades.

Orchestra

The Orchestra, under the direction of Mr. Shelly, has played a part at several school productions. In the annual Christmas program, the Orchestra played several numbers, accompanied the audience in carol singing, and climaxed the program with all the choruses and the "Brother James Air".

The Orchestra then provided music at the Senior Play and the Spring Music Concert. The group concluded the season with Baccalaureate and Commencement.

This year's Orchestra has built up a real string section of 11 violins, two violas, one cello, and three basses. The Orchestra has been attacking many more difficult symphony pieces than ever before, trying to receive the same respect and support as the W.H.S. Band.

Members attending District Orchestra at Topton, Pa. in March were Kazuyo Ikeshita, Cathie Gardner, Jane Filer, and Anthony Kulczycki.

Dance Band

The main purpose of the Dance Band is to help students gain the fundamentals of dance and popular music.

Directed by Mr. Robson Shelly, the Band provided entertainment at assemblies and dances throughout the school year. The Dance Band, in conjunction with the entire music department, contributed to the success of the Spring Musical. The group also displayed its talent at the annual Basketball Bounce to honor all the Wilson sports participants and crown a sports queen.

Brass Ensemble

The Brass Ensemble consists of a group of students, especially organized for the annual Christmas Program.

The Ensemble made an annual visit to the grade schools at Christmastime, and this year the Wilsonaires joined the group.

The Ensemble and the Wilsonaires entertained at Gracedale, traditionally spreading Wilson's joyous Christmas spirit.

Mixed Chorus

This past year has been a very rewarding one for the Wilson High School Mixed Chorus, especially for its director Mr. Edwin Schatkowski.

The Chorus began the year by participating in a most successful Christmas Concert. The highlights of the concert was the singing of "Te Deum".

The Chorus then buckled down again, and after four months of practice, put on the fabulous Spring Concert in conjunction with the Orchestra.

This year's District Chorus was attended by Barbara Long, Raylene Frankenfield, Cathie Gardner, Clyde Carpenter, Donald Beck, and Thomas Miller.

The Chorus completed the year by singing at Baccalaureate.

Les Memoires

As the Les Memoires staff "proudly presents the 1962 edition of Les Memoires", it is presented with a sigh of relief and a feeling of satisfaction. Beginning with pencils, paper, a blank dummy, a camera, and an inexperienced staff, the staff members have produced a memorable yearbook.

The staff encountered many obstacles but worked diligently under the pressure of impending deadlines. Mr. Frank Kuna supervised the editorial staff, which includes the literary, sports, lay-out, and photography staffs. The literary staff was responsible to Linda Feinman, Literary Editor, for writing the senior and club write-ups and the special features. Bob Adams, Sports Editor, and his staff were responsible for the sports section of the book. Jo Curto, Layout Editor, planned the layout of the book with the aid of other editors. Art Editor, Lynn Long, and her staff planned the artwork, and Craig Wagner, Photographer, and his staff were responsible for the photography. These editors were, in turn, responsible to Editor-in-Chief, Jo Ellen Azzalina, assisted by Charles Bruch, Assistant Editor.

Under the direction of Miss Joyce Hay, the business staff made possible the publication of the yearbook by tackling the financial problems. Business manager, Diane Deonis, and the business staff secured advertisements and patrons. Carl Helm, circulation manager, organized the distribution of yearbooks. Also under the supervision of Miss Hay, chief typist, Kay Richter organized her staff to type all write-ups and identifications.

Through the efforts of all the staff members and advisors, this yearbook has been published.

National Honor Society

Admission into the Wilson Chapter of the National Honor Society is the highest honor that can come to the high school student, for it stands for excellence of achievement, not only in one, but in every line of endeavor.

Scholarship alone, however, is not sufficient for admission to the society. While an average of "B" or better is a requirement for admission, a student must also display service, the unselfish devotion which gives itself to the need of the individual, of the school, and of the nation. To this must be added leadership. Not every man is born to lead, but to those who possess that gift and use it well, the world gives honor and glory. Those who are chosen for membership have shown active participation and leadership in extra-curricular activities. To leadership must be added character, for as a person grows in character, his personality becomes increasingly attractive and beneficial to those around him. And the last but far not least requirement is citizenship.

Membership in the National Honor Society is limited to ten per cent of the senior class and five per cent of the junior class.

The Echo

The "ole" familiar sound, "The Echoes are out," can be heard ringing through Wilson High's halls every month. Of course, this could not be possible without the hard work and diligence of the editors, members of the Echo Staff, and their experienced and efficient advisors, Miss Diane Aagaard and Miss Norma Mooney.

Our busy Editor-in-Chief, Anthony Kulczycki, can be seen bustling about the school. Associate Editor, Pam Hill, has helped the "Busy-Chief", and feature Editor, Fritzie Smickle, has contributed more than her share. Linda Feinman, News Editor, has kept The Echo popping with the latest events of the year. Sports Editor, Charles Bruch, has supplied the Echo with the latest touchdowns, home runs, and high scorer of the season. Credit must also go to Elanie DeMarcantonio, Chief Typist; May Shafer, Business Manager; Lydia Pellen, Supplement Editor; George Hrymack, Photographer and William Trach, Headline Editor for their work and effort in making The Echo possible. A special thanks is given to the members of the Circulation, Sports, Feature, News, Typing and Photography Staffs.

The Echo also received a prize in the 1961 School Press Project. A certificate and cash award were presented, and The Echo was entered in state-wide competition.

The Echo has continued throughout the year to give the students the type of school paper they want and enjoy reading. It has proved to be a highly rated, informative, and a successful school paper which we all enjoy!

The Key Club is a service club for Sophomore, Junior, and Senior boys. Although the Club is similar to other high school organizations, it is unique in its sponsorship, its aims, and its program.

The Key Club is sponsored in cooperation with the school officials by a local Kiwanis Club, which is composed of the leading business and professional men of the community.

The Key Club aims for the development of initiative, leadership, ability, and good citizenship practices. The Club provides the school with many services, and the members go into the community to undertake various projects for the benefit of the entire community.

Hi-Y

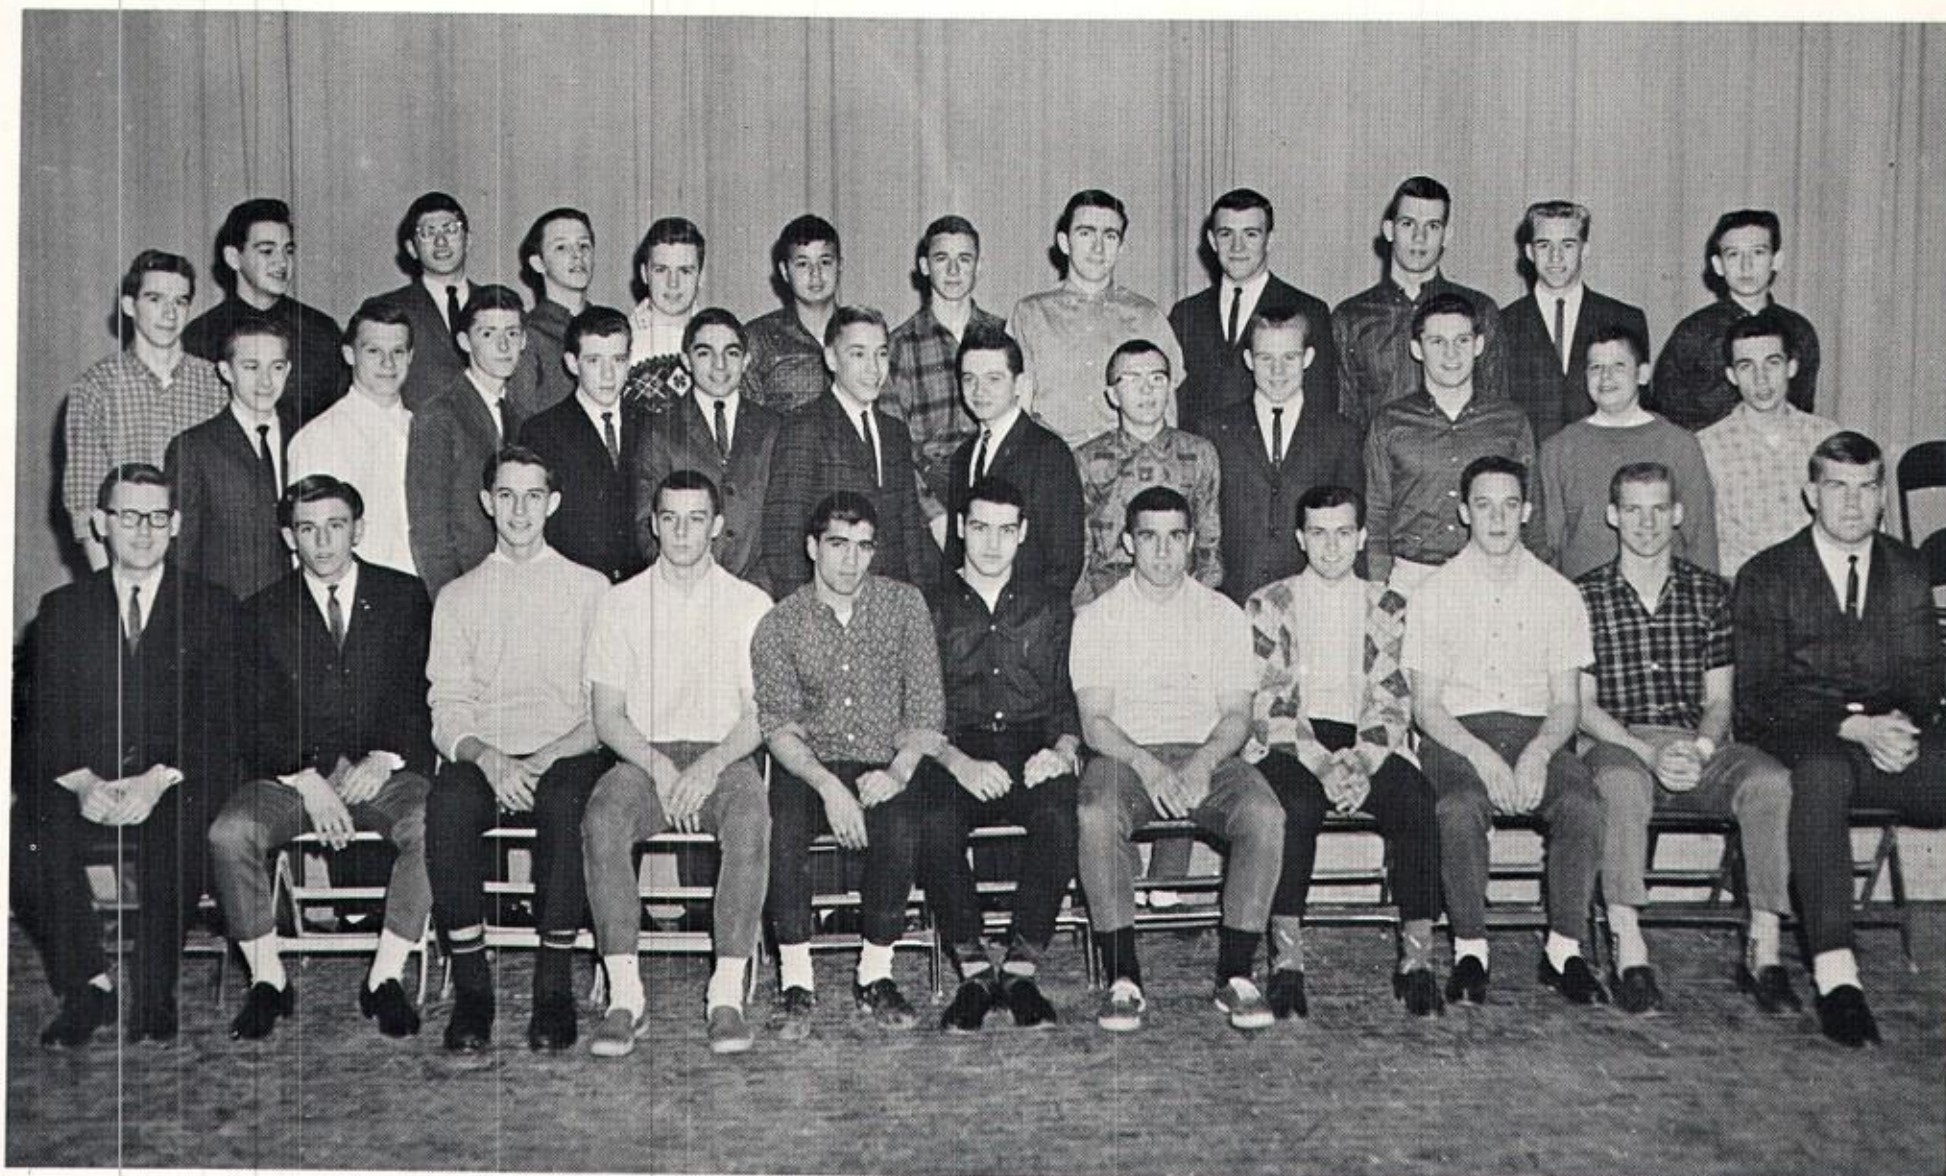

The purpose of the Wilson Borough Hi-Y Club, is to create, maintain, and extend, throughout the home, school, and community, high standards of Christian character. To this end, the club, a school-based service organization sponsored by the Y.M.C.W. sponsors World Fellowship, United Fund, American Field Service Student Exchange, and such other activities as the collective judgment of the club members favors as worthy.

The club, with a '61-'62 membership of 45, meets weekly at the "Y" for the purpose of conducting club business, observing programs, and participating in "Y" recreational activity.

In a typical year the club raises funds through a joint Y-teen-Hi-Y refreshment stand venture at home football games, the sale of official W.H.S. book covers, a senior name-card project, and the sale of booster cards. It sends delegates to regional meetings and the model legislature. The final activity of the year has been a dinner meeting for the club and guests.

The club also used the cut-out pattern method and the silhouette project where profiles are traced from shadows on a wall and then cut into patterns. Guided by these patterns, the club members are able to transfer stitches from the pattern to the typewriter keys. Designs are copied or created by the members.

The Artistic Typing and Shorthand Club successfully motivates the ingenuity and skills of its members, creating beautiful pictures.

Administration

The real success of a going concern,
Is based on the Administration.
In order that youth succeed and learn
There is need for articulation.

Our Education Machine must move as one,
If efficiency is to rule.
But with it all, there's room for fun,
In our well-ordered school.

We take keen pride as we forward go,
Through the throes of education
If we were lax, I'd tell you so,
Best Administration in the Nation.

(Superintendent,
Wilson Borough Area Joint Schools)

June 14, 1962

To the Class of 1962,

Heartiest congratulations on your graduation from Wilson Borough High School! The diploma which you hold in your hand represents the successful accomplishment of the requirements for high school graduation and the achievement of educational goals which have been established at Wilson Borough High School through the efforts of the Board of Education.

For almost half of the graduating class further study at college, university, training school or technical school lies ahead. May these years of study be rewarding to you as you strive forward to reach the professional goals and aims which you have chosen as your life's work.

Careers in the business world, industry and the armed forces are the specific choices for the remainder of you graduates. Tonight, for the most part, ends your formal education and training. May success crown your efforts as you step forward as a worker in America's industrial and business enterprises.

To all of you, my very best wishes for continued success in whatever you set out to do and deep satisfaction for a job well done.

Very sincerely,
Truman J. Reese
Principal

To the graduating class of
Wilson Borough High School:

Life, it has been said, is the garment we continually alter, but which never seems to fit perfectly. If your collar does seem to be the perfect size, no little rub or scratch, we have begun to stagnate rather than live. Dr. Conant suggests that we behold the turtle—he makes progress only when his neck is out.

With an effort on our part, however, the garment can be altered (even to a turtle-neck when necessary) so that it fits reasonably well. If the garment is so binding that we feel we must throw it off, it is not that we have failed, we have given up trying.

Since the garment of my life and yours is bound to fade and show the effects of wear, we must also look beyond our own lives. Whatever your pursuits in the future, I hope that in the course of making many small alterations, you do not neglect to tailor your garment to fit the words of William James:

"The great use of life is to spend it for something that outlasts it."

My great expectation is that the garment of your life chafe a bit, but be well altered and well tailored.

With confidence in your future,
Wm. P. Tollinger

Special Features

Be it known to all, that it's no mystery,
That we have an illustrious Class History;
And we don't have to strive, this space to fill,
With a future legacy, our own Class Will.

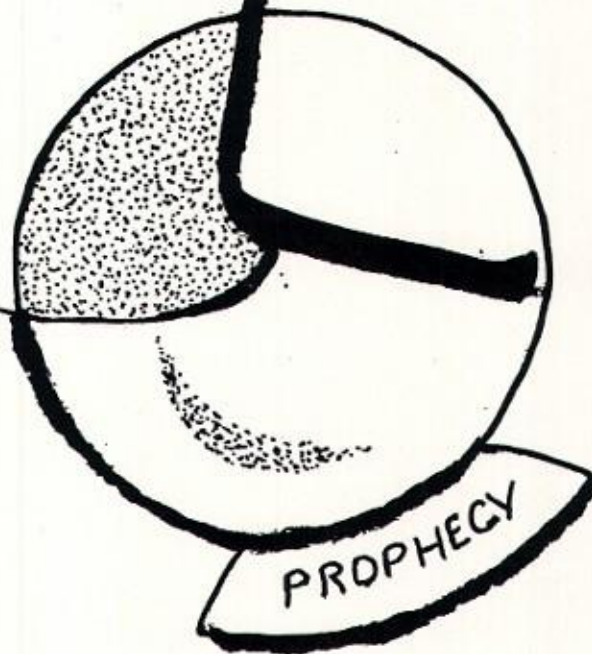

Be it known to all, that it's no mystery,
That we present to you, our Class Prophecy;
And we're proud of the fact, that we've reached our goal.
Each one contributed to our Class Poll.

Here's to Alma Mater, venerable and sage,
Fill up the space on our Autograph Page.
All these Special Features make us quite proud,
In praise of our school, we'll sing aloud.

Class History

Way back in September of 1956, our class entered the seventh grade of Wilson Borough High School. We anxiously gathered in the auditorium where homerooms were assigned to us. Soon, as seventh-graders, we were separated from our grade school pals, and submerged into this exciting, new high school life. We encountered many strange experiences and such vicissitudes of junior high school life as the four-minute rush between classes, crowded halls with one-way routes, twenty-five minute lunches, and those big senior high students. The class of 1962 entered Wilson to find two new sports, wrestling and soccer, in the extra-curricular program.

By 1957 the class became slightly more familiar with the routine. Now we began to strive for individual goals and establish ourselves in the school. Those great Wilson Warriors earned the Lehigh-Northampton championship football title, and the basketball team also won the league title.

Freshmen at last! The year of 1958 will be remembered for the last traditional Easton-Wilson football game. Our Pennsylvania History classes had the experience of observing government in action at Harrisburg. The next day, Wilson was invaded by the Freshman Class wearing crazy Harrisburg hats.

In 1959 the class was eligible for senior high. In that year the new language laboratory was installed at Wilson, equipped with extremely "shocking" seats. This was an excellent year for basketball, as the girls' team won the league championship and the boys' team also topped the league. Under the supervision of Mr. Stan Carney, our Sophomore Class got under way with Bob Adams as President, Craig Fuehrer as Vice-President, Diane Deonis as Secretary, and Marie Schware as Treasurer.

Mr. Clair "Bumps" Johnson's death on March 9, 1960, saddened the hearts of the students throughout the

school. At Miss Alberta Cline's surprise Latin banquet, Senior Latin classes enjoyed everything "ab ovo ad mala"—equivalent to our "from soup to nuts." What a Roman feast! Our Sophomore year concluded with "South of the Border", our lively Sophomore Hop.

In September of 1960, the Juniors felt "they'd arrived" after receiving their class rings. Mr. Richard Shelling organized our class this year with the officers: Bob Adams, President; Craig Fuehrer, Vice-President; Diane Deonis, Secretary; and Barbara Roth, Treasurer.

Through the American Field Service our first exchange student, Anna Marie Lenz, came to Wilson in 1960. Anna Marie came from Switzerland and was elected our first Warrior Princess. This Princess cheered the Warriors on to victory at the Thanksgiving game. By defeating Nazareth we won the Lehigh-Northampton League Title.

The Juniors sold cans of candy to finance a long-awaited Jr.-Sr. Prom. "Twilight in Blue" was the first prom to be held in the new gym. Who can forget the helium-filled balloons with suspended stars, and the after-prom party at the Hillcrest Club? The swimming team was initiated at Wilson this year, and, shortly after school closed in June, the band won honors at the Atlantic City Lion' International Convention.

In September, 1961, the long-anticipated Senior year begins. This is "our" year! As Seniors, we receive exceptional attention from underclassmen and particular privileges throughout the school. We welcomed Kazuyo Ikeshita, exchange student from Japan, into our class; we composed the 1962 edition of "Les Memoires"; we planned for our Senior play; we attended the prom as guests of the Juniors; we frolicked at the Vacation Valley outing. Long before June rolls around, the Seniors anticipate graduation with mixed feelings. When that eventful day arrives, we will bid adieu to our six memorable years at Wilson as we greet the new horizons before us, taking with us our "Moments to Remember."

A large, dense, circular arrangement of handwritten names in various colors (black, blue, red, green) on a white background. The names are written in a cursive or semi-cursive script, filling the entire circular space. The names are arranged in a way that they appear to be part of a single, continuous list or a collection of signatures, with some names appearing more prominently than others. The overall effect is a complex, swirling pattern of text.

BLAST OFF!!!

In the spring of 1982, the Wilson High School class of 1962 is on route to the moon for their 20th reunion. As the passengers unfasten their seat belts after the blast off, former classmates fondly begin to reminisce.

With radioman Tom Howard on duty, Air Force commanders Bruce Larison, Dan Christian, Bruce Appleman, Dan Moffo, Ted Belkey, Bill Tresize, and Bruce Gaumer, missile experts at the controls, the class has an enjoyable trip. Our rocket ship tickets were printed by T. Falcone, R. Fox, J. Ziatyk, and J. Petrosky, Inc. John Ballato, shoe manufacturer, provided our space shoes.

"And, therefore," argues Bob Adams, prosperous Philadelphia lawyer, "state police commissioners like you, Bob Grube, must maintain our laws."

"In my hospital, girls, as I plan each doctor's schedule, I allow for emergency operations." Diane Ehrie is exchanging ideas with other head nurses, Sandy Hittinger, Glenna Wismer, Jackie LaBarre, Judy Wilson, Ann Loman, Diane Deonis, JoAnn Braid, Jeanne Strauss, Virginia Golden, JoAnne DelSole, Marianne Cahoon, and Sandy Berardinucci.

"No! No!" exclaims Russan McNally. "I'm a dietician, not dieting!" Dr. Anthony Kulczycki and Dr. Kazuyo Ikeshita are rushing up and down the aisle, checking the pulses of the more feeble-looking class members.

"Call my secretary next week, and we'll make an appointment." Business executive, Colleen McCarty, Nancy Moser, Freddie Markley, Dave Rusk, and Gloria Sampson are planning a mass consolidation of their multi-million dollar corporations.

"Tention!" Generals Elmer Freer, Alan Ruschman, Russ Stone, Walt Fehnel, Tony Alercia, Earl Graver, Ed Groller, Dormal Hartz, Jack Reccek, Doug Keim, and Richard Uhler salute as Barry Mertz, Commander-in-Chief of the Armed Forces, passes.

Typewriters are clicking away in the back of the rocket ship. America's most noted executives are depending upon secretaries Susan Ehret, Sherry Garrison, Linda Jones, Georgeann Kiefer, Ruth Ann Murray, Barbara Roth, Roberta Snyder, Shirley Allen, Carol Dearing, Gail Kramer, and Penny Smith to complete their paperwork punctually.

"O Solo Mio," sings Barbara Long. Our opera soprano is starring at the Met. this week, but now she's giving a music lesson to Frank Fimiano, superintendent of a metropolitan school district, and principal Francis Gall. Teachers Judy Hawk, Linda Feinman, Kim Hummel, Jo Curto, Judy Lerch, Carl Helm, Leona Cyphers, Sally Hixson, Marisue Brugler, and Susan Blair are listening with interest.

"Your blueprints are extremely practical." Architects Richard Rush, Bill Trach, and Joe Vierzbicki are in conference with engineers Brian Kichline, Tom Blalock, Larry Werkheiser, Charles Bruch, and Jack Messer, planning the construction of a new city around Jim Grimm's new chain store. Electronic engineers, Bob Lefferts, Bill Simmers, and John Campbell add their advice.

Bruce Holbrook casts a worried frown upon the clouds below. As U. S. conservation expert, he's anxious about an excess of rain upon our nation's forests.

"Hi, Classmates!", a successful receptionist, JoAnne Scoble, greets the alumni with her friendly smile.

Mary Golden is helping accountant Ken Williams with some difficult figures on her portable IBM machine. "Hmmm . . ." Mathematic experts Steve Rice and Wayne Unger are checking the IBM results for accuracy by working the problems mentally.

. . . "Thus, my theory would definitely benefit the employees," explains our economic expert, Craig Fuehrer, to Denny Roberts, industrial manager.

A cross-conversation is being carried on through the mid-section of the rocket. Bill Shippers, Louise Wilkinson, Vince Speciale, Barry Weinperl, Jeff Pierson, Russ Albert, Tony Verenna, Jackie Mostow, Marianne Tobin, George Hrymack, Bob Moser, Bob Guzzo, Ron Telepo, Bruce Hagenbuch, Elwood Knauss, Craig Wagner, Dan Watters, Dave Heugel, Frank Mangino, Bill Walters, Carole Buzas, Pam Hill, and Dick Flowers are discussing their chosen professions.

. . . "Oh, I must have been in the Orient only a few days after you left!" WAVE Faye Morris is comparing travel notes with Bible missionary Roberta Swartz.

Jo Ellen Azzalina, Political Scientist, is preparing to advise the President on world affairs next week.

The world renowned Miss K. Dobbins is sketching fashion designs from well-dressed Shirley Kaiser, famous in her own right as head librarian of the U. S. Congressional library.

. . . "Personally, I prefer to keep a neat household to your business positions," Marie Dohne says to Fred Lancaster, Dave Regalis, Kay Richter, Judy Ealer, Pat Hower, Sandy DePaul, Sandy Doud, Jane Snyder, Paul Kocher, Alberta Manini, Janet Ellicott, Judy Haas, Sally Kiefer, Ruth White, Ron Beidelman, Elaine De-Marcantonio, Bill Newhart, John Sennetti, Marjorie Mills, Teddy Mount, Doris Staats, Marlene Bogusky, Linda Wirth, Mike Auchenbach, Ron Siebler, Barry Mizack, Dale Moser, Russ Shafer, Roy Buss, Clyde Carpenter, Tony Schlero, Tom DiSante, Bob Fisher, Ron Frey, Walt Stout, Dick Grube, Jerry Hahn, and Henry Hasse. Sandy Yeisley and Pat Martin nod in agreement.

. . . "Passage for 3,000, 90 lifeboats." Admirals Barry Kehler, Bob Unangst, David Ernst, Al Huff, Dave Kolb, and Randy Niper each insists that their ship is the only unsinkable naval vessel.

"When it comes to defense, we are the heroes," adds Frank Campbell of the Coast Guard.

. . . "Here's something to wash it down." Medical technologists, Cathie Gardner and Joe Frankenfield, insist on trying their newly-discovered pills on former classmates.

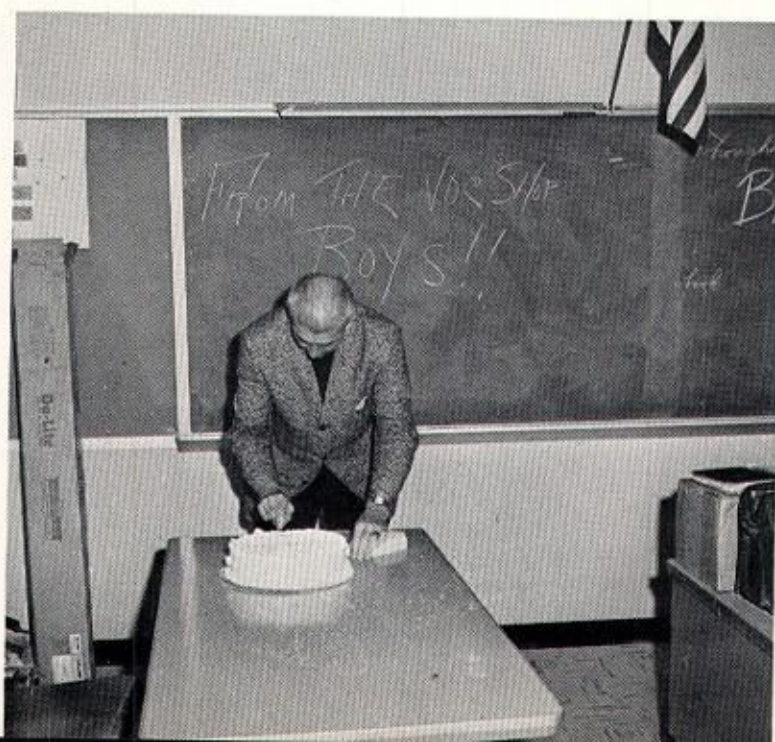

Beauticians, Carol Plotts, Marie Claus, Barbara Faust, Sandy Benner, and Sandy Hess are putting the finishing touches on a few hair-dos before the rocket lands.

"Please fasten all seat belts." The trip is over, and the reunion is about to begin. On the moon, twenty years from graduation, the class of 1962 reviews it's "moments to remember."

Jerry Hahn, Student Council President, greets Bill "Moose" Skowron upon his visit to Wilson High.

Ads

We canvassed the town and city streets—
We needed another Ad.
We've lots of blisters on our feet,
But those dollars must be had.

We know something of Yearbook cost—
It's all a little rough.
Just think of all the time we've lost,
To miss out now's too tough.

So off we dragged our weary feet,
Needed a hundred dollars more.
We were not going to be beat,
Had to even up that score.
